INTERNATIONAL FLIGHTS

Clear Water Exploring can support you to find the best flights to the destination and back home. Given your inputs regarding foreseen arrival and departure date on the contact side of our homepage – we can help you to get the best connections.

NATIONAL FLIGHTS

Placencia also has an airstrip with more than 8 direct flights a day from Belize City. Personally, I prefer TROPIC AIR but also MAYAN AIR is great and has a good service. There flights from Belize City to Placencia only takes 22 minutes!

GROUND TRANSPORTATION

If you like to come to Placencia instead of by a further flight – let's take VIP Transfers shuttle. The driver will wait for you outside the Airport with a Clear Water Exploring sign with your name on. The ride takes about 3,5 to 4 hours depending on the traffic. You will pass a great scenery along from orange plantations into the jungle and through various little village – which are typical for Belize. The cost are 220USD per shuttle. We are happy to arrange this service for you.

In case you choose the bus transfer – the driver will bring you to the main pier where we will welcome you and either continue on boat to the yacht or bring with the golf car to the hotel.

MONEY MATTERS

WHAT CURRENCY TO BRING ALONG?

You do not need to change your Euros or US Dollars into the local currency of Belizean Dollars. Our destinations accept both currencies. Please bring sufficient cash to settle tackle bills, special ordered supplies, tips and other costs incurred. It's important to remember that there will be no credit card facilities at the yacht

ATM

Placencia village, where you board and disembark, has several ATM, where you can get local currency with your Maestro and Credit Card. But be aware that sometimes the machines just don't work

TIPS

What is the suggested amount to tip my guide or boat staff?

If you wish to show appreciation to the boat staff, we suggest a USD 100 per guest per week or USD 10 to 20 per day guideline. This is to be left in the foreseen box upon departure for equal distribution. For the Fly Fishing Guides we suggest a USD 400 to 500 per angler per week or USD 50 to 75 per day guideline, which is to be put into the foreseen box at the end of the week. Please: All tips are to be paid in cash and it's of course on a voluntary basis
